

# Please shop our wish list!

## ACN needs your giving spirit on Wednesday

Some of the clients that we serve live in group homes with other intellectually and/or developmentally disabled individuals – many can't afford certain personal items such as bedsheets, towels and pillows that many of us take for granted.

Won't you please help our clients with these basic necessities? Scan the code below on **Wednesday, May 18** to shop our wish list at Amazon. We thank you in advance for your generosity!
